Organizers

IEEE MTT/AP Society Bangalore
Joint Chapter in association with
IEEE Young Professionals Bangalore
Chapter & IEEE NHCE SB

Benefits of Sponsoring

Recognition - Stalls can be set up to promote or even gain customers for your Company/Institution and gain recognition.

Recruiting - Hackathons are effective ways to gain access to the top technical talents among students who are well-versed in many fields.

Promotion - Any apparent product launched by your organization can be promoted to the students via interactive sessions held throughout the duration of the Hackathon.
